General Information

Application deadline: November 15, 2025

All applicants must be members of the Illinois Council of Orchestras in good standing.

Awards will be based on achievements of the past season, 2024-2025.

An organization may apply for awards in more than one category in the same year. If applying for an award in more than one category, please submit a separate application for each award category.

After having received an award, an organization will not be considered for an award in the same category for a period of five years. The organization may apply in other categories.

A community orchestra is one in which at least 60% of the musicians are either volunteers or are paid less than union scale.

A college/university orchestra is one in which at least 75% of the musicians are registered students.

If requested, one on-site presentation will be made at a performance by winning orchestras during the upcoming season by an ICO Board member.

The Illinois Council of Orchestras reserves the right not to name a winner in every category.

No applications or additional materials will be accepted after November 15, 2025.

An awards panel made up of judges drawn from the Orchestra industry and independent professional musicians review nominations representing orchestras, youth orchestras, and chamber ensembles. The ICO Awards Committee members are kept anonymous.

- Please follow instructions on the online application form at www.ilcouncilorchestras.org

Accessing the Application

The awards application is now fully housed on the ICO website and linked to user accounts. Here are some tips if you are having trouble accessing the application.

1. Ensure your organization's membership is up-to-date. If it has lapsed the application is not available.

2. Make sure your email address is tied to the organizations account.

Whomever manages the organization's listing and renewal, is able to add organizational contacts to the account.

3. Creating an email on the ICO website does not automatically link you to the organization's account. If you encounter issues with creating an email and still not having access to the application, email info@ilcouncilorchestras.org to get added to your organization.
